

Appl. No. 10/811,444  
Amtd. Dated September 29, 2006  
Reply to Office Action of August 28, 2006

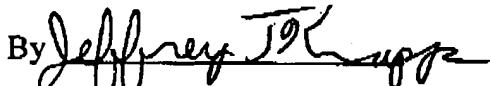

## REMARKS

Based upon conversations held Sept. 28, 2006, with Examiner Ashok Patel, it is Applicant's understanding that the above-claim amendments will place the case in condition for allowance over the newly-discovered reference, US Pat. No. 6,650,061, and the other art of record. Applicant respectfully thanks Examiner Patel for his willingness to negotiate in order to place this case in condition for allowance.

Additionally, Applicant respectfully requests the entry of the prior response filed Sept. 8, 2006, as the currently submitted claims have been amended relative to that version of the claims.

In view of the foregoing, the present invention as claimed in the pending claims is considered to be in a condition for allowance, and an action to such effect is earnestly solicited.

Respectfully submitted,  
Liang Liu et al.
